

# ALL IN

MARCH - JUNE 2024

## HEY REDEEMER!

It's hard to believe we are already 4 months into the All In Initiative! One of the most encouraging things about being a part of this initiative is hearing stories of how you all are engaged with Jesus on a deeper level. Some of you are re-evaluating what it means to be an All In church member, some of you are committing to spend time in the Scriptures regularly, some of you are engaging more deeply in community, some of you are giving or serving for the first time, and some of you are actively sharing your faith with those who don't currently follow Jesus.

The primary goal of the All In Initiative is that 100% of us would seek complete devotion to Jesus and His Kingdom. As I look back over the first 4 months of this initiative, I know many of you are doing just that in multiple aspects of your life, including generosity.

Toward our secondary goal of deep discipleship and wide reach, we are grateful to see God move toward fulfilling the vision we believe He gave us. To God's glory, we had 1% of Lubbock in attendance at our Easter weekend services! Additionally, we had an extraordinary number of baptisms this spring, each one telling a story of what it means to meaningfully follow Jesus. The number of Connect Cards coming in on Sundays tells us that more people are joining us in corporate worship and engaging in the ministries of our church, not to mention the number of new families checking their kids into the kids' area. In June, our Family Ministry team wrapped up an incredible week of discipling our kids to know Jesus more deeply at Explore Camp, utilizing adult and student volunteers across the church to serve as leaders. As a tangible step towards wide reach, we purchased land in South Lubbock. We will begin making principal payments on that loan in August.

As you read through this update, you find more stories and numbers that speak to what God is doing in and through us in the beginning months of this initiative. I am excited to see what is ahead!

Grateful to be on this journey with you,

*Dusty*

ACTUAL GIVING TO DATE MARCH 2024 - JUNE 2024

### 1% OF LUBBOCK

During the spring, we saw God bring more than 239 first-time guests and 55 new families to Redeemer's worship gatherings. Over 2,737 people celebrated Easter weekend with us, our highest attendance in Redeemer's history, which means the Gospel was preached and heard by 1% of our city!

### LIFE IN CHRIST

We celebrated 44 baptisms so far this year. We're praising God for His work in each of these lives - from middle schoolers committing to live for Jesus to college students proclaiming the Gospel that came to them on the Texas Tech campus! These testimonies of the life, death, and resurrection of Jesus have been visible pictures of the power of the Gospel.

### LAYING THE FOUNDATION

As the city of Lubbock grows and expands, we are committed to reaching 1% of the Lubbock population with the Gospel through a multisite strategy. In August, we will begin paying toward the principal of the land loan. We hope this land will become the home of Redeemer's second campus.
